Athletes Success Program

Overview

Unique Challenges

Practice Schedule

Game Schedule

Academic Demands

Social Demands

Athletic Career

- How do I balance my athletic training and my academic schedule?
- How can I get my information into the clearinghouse?
- How do I market my academic and athletic skills to colleges and universities?
- The coach set up study tables and I am still struggling to meet the academic demands.
- I am making the grade during the season, but what about my grades after the season ends.
- I need help staying eligible!

BETC

Athlete Success Program

Assess

Identify student strengths and weaknesses through initial assessments, then target curriculum to the student.

Prescribe

Let **BETC - Athlete success program (ASP)** courseware prescribe lessons to each student based on assessments.

Instruct

Our direct instruction approach to mastery uses Study Guides, Practice Exercises, Mastery Tests, and Essays to instruct students.

Report

Reporting is available on all aspects of student activities, performance, and standards attainment.
