

Jump to Start SUMMER

Online Learning for Primary Students

BETC Jump
Start to Summer

Research shows that students are at risk for losing more than two months of what they learned during the summer.

Teachers spend between two to six weeks at the beginning of each year re-teaching material that students have forgotten.

Let B.E.T.C. Jump Start Your Child's School Year with Our Proven Programming!

BETC Jump Start to Summer

"We meet your child where they are and design programming specific to their needs"

It is a "prescriptive learning"

A Summer Preparatory Program

Do you want your own personalized education?

- Experience real improvement
- Prevent the Summer Brain Drain
